Subject: 24th Annual P2 Conference and Trade Show

The Partners for Pollution Prevention are soliciting your participation in our **24th Annual Pollution Prevention Conference and Trade Show**. The Theme for this year is “*Unmask Your Pollution Prevention Possibilities*”. Your presence at the Conference helps to attract many of our attendees and provides all of us an opportunity to learn about your products and services that can help us prevent pollution. The Conference will be held on **September 23, 2020, 8:00 AM to 4:00 PM EST**. More information on the conference will be updated soon at:

You, as an exhibitor, offer one of the most valued means of information exchange at the Conference. This year again, each exhibitor will have the opportunity to give a 30 second “elevator speech” to the assembled attendees during the morning welcoming festivities. Take advantage of this opportunity to network with the people and companies at the forefront of the pollution prevention field. **You can set up your booth any time between 6 pm to 8 pm EST on the evening prior to the conference, September 22nd and/or between 6:30 am -8:00 am EST on the morning of the Conference, September 23rd.**

The Conference Committee is expecting approximately 250 people to be in attendance at this Conference, and the Committee has chosen to host the Conference at **The Marriott North Indianapolis, in Indianapolis, Indiana**. For more information on The Marriott North Indianapolis, please visit:

The fee for exhibitors will be \$500. This includes one 3 foot by 6 foot table, two chairs, and registration for two people for the conference. All booths will have electricity available. To register as an Exhibitor, please visit the Eventbrite registration page and follow the prompts.
